

For Immediate Release

Alectra Inc. employees surpass fundraising goal, raising more than \$27,000 for Coldest Night of the Year

Mississauga, ON – Alectra employees once again stepped up to support their communities, raising \$27,278 for Coldest Night of the Year (CNOY), a national initiative aimed at helping people experiencing homelessness, hunger and hardship.

More than 100 Alectra employees braved the winter temperatures, joining thousands of Canadians in walking to raise funds for local organizations that provide vital services to those in need. This year, Alectra employees joined 10 teams across Alectra's service territory including St. Catharines, Brampton, Barrie, Guelph, Hamilton, Markham, Mississauga, and Vaughan.

"Alectra employees continue to embody the spirit of community and their dedication to supporting Coldest Night of the Year annually is commendable," said Brian Bentz, President and Chief Executive Officer, Alectra Inc. "By coming together to walk and raise funds, through our AlectraCARES Community Support Program, we are increasing awareness for individuals facing homelessness by supporting grassroots organizations in our communities."

Since 2018, Alectra has been supporting the Coldest Night of the Year and has donated over \$55,000 through employee participation. To learn more about Alectra's community support, visit: alectra.com/about-community-support
